MOPPETS

While moms enjoy the meetings, children are lovingly cared for in the MOPPETS program. This exciting program includes stories, games, crafts, and snacks to entertain infants through kindergarten-aged children. As part of First Church's "Safe Sanctuary" program, all child care workers are qualified to provide your precious children with the best of care in a fun and safe environment.

MOPS is the place for you!

Mops stands for Mothers of Preschoolers - which includes children from birth to kindergarten. MOPS recognizes that the years from infancy to kindergarten are foundational in a mother-child relationship and are filled with unique needs.

MOPS exists to meet these needs for every mom - urban, suburban, and rural moms, stay-at-home and working moms, teen, single, and married moms - moms with different lifestyles who all share a similar desire to be the very best moms they can be!

A typical MOPS morning...

features a speaker presenting any of a wide variety of topics relating to womanhood, relationships, children, and home. After each presentation, small discussion groups may provide a time for each mother to share her experiences and gain feedback from others.
